

INDEX OF DETAILED TABLES

Table No.	Title	Page
Table 1	Number of first stage units (FSUs) allotted, surveyed and number of sample households surveyed for Nagaland State Sample.	11
Table 2	Per 1000 distribution of households by principal source of drinking water .	12
Table 3	Proportion (per 1000) of households which did not get sufficient drinking water during different month of the year.	14
Table 4	Per 1000 distribution of households by distance to the principal source of drinking water.	15
Table 5	Per 1000 distribution of households by nature of access to the principal source of drinking water.	15
Table 6	Per 1000 distribution of households by water charges payment category and average amount (Rs.) paid for water charges per month.	16
Table 7	Per 1000 distribution of households by facility of bathroom and access to bathroom.	16
Table 8	Per 1000 distribution of households by access to latrine.	17
Table 9	Proportion (per 1000) of households with different types of latrine and access to latrine.	18
Table 10	Proportion (per 1000) of households having electricity for domestic use and per 1000 distribution of households having electricity for domestic use by type of electric wiring.	18
Table 11	Per 1000 distribution of households with dwelling units by tenorial status of the household.	19
Table 12	Per 1000 distribution of households by maximum distance to the place of work normally travelled by any earner of the household.	19
Table 13	Per 1000 distribution of households by type of structure and average floor area of the dwelling.	20
Table 14	Proportion (per 1000) of households that experience flood during last 5 years and per 1000 distribution of household by plinth level and average plinth level (in meters) of the house.	21
Table 15	Per 1000 distribution of households by use of house and condition for each type of structure.	22
Table 16	Per 1000 distribution of households by type of dwelling and tenorial status of the dwelling.	23
Table 17	Per 1000 distribution of households having separate kitchen.	24
Table 18	Proportion (per 1000) of households who spent some amount for construction or first-hand purchase of houses/flats for residential purpose during last 365 days, average amount (Rs.) spent by these households during last 365 days and proportion (per 1000) of these households financed the amount by different source of finance.	25

Table 19	Per 1000 distribution of households by types of drainage system.	26
Table 20	Per 1000 distribution of households by type of disposal of household waste water.	26
Table 21	Per 1000 distribution of households by type of agency collecting garbage of the households.	27
Table 22	Per 1000 distribution of households by type of approach road/lane/constructed path to the house.	28
Table 23	Per 1000 number of households reporting problems of flies & mosquitoes during the last 365 days and efforts made by different agencies to tackle the problems, and incidence of specific type of illness suffered by any member of the households during the last 30 days.	29
Table 24	Distribution (per 1000) of households by major sources (most used) of drinking water (NSS 65 th and 69 th Rounds Compared).	30
Table 25	Proportion (per 1000) of households which did not get sufficient drinking water during different months of the year (NSS 65 th and 69 th Rounds Compared).	32
Table 26	Proportion (per 1000) of households by distance to the source of drinking water (NSS 65 th and 69 th Rounds Compared).	33
Table 27	Per 1000 distribution of households by facility of bathroom and access to bathroom (NSS 65 th and 69 th Rounds Compared).	34
Table 28	Per 1000 distribution of households by arrangement of garbage collection (NSS 65 th and 69 th Rounds Compared).	35
Table 29	Per 1000 distribution of households who lived in houses by type of structure. (NSS 65 th and 69 th Rounds Compared).	36
Table 30	Per 1000 distribution of households living in a house by type of dwelling unit (NSS 65 th and 69 th Rounds Compared).	37
Table 31	Per 1000 distribution of households having electricity for domestic use and type of electric wiring (NSS 65 th and 69 th Rounds Compared).	37

NOTES ON TABLES

1. The column 'all' in any table is inclusive of all corresponding 'non-reporting' cases, if not mentioned separately.
2. The 'total' figures may not always exactly match due to rounding-off.
3. In some tables 'households' is abbreviated as 'hhs'.
