

GOVERNMENT OF NAGALAND

Nagaland State Government Employees Census Report 2012

**Directorate of Economics & Statistics
Nagaland : Kohima**

PREFACE

The Census of the Nagaland State Government Employees is being published annually by the Directorate of Economics & Statistics since 1964. The present publication contains the detail of the Government Employees in the state as on 31st March 2013. The census is conducted with a view to present information relating to the total No. of employees in the state and also to present their nature of employment, Gender, Social Status, Religion, Educational Qualification, Basic Pay, Total Emolument, Age, Plan and Non Plan post, Department wise, District wise etc.

The department of Economics & Statistics is grateful to the entire Department in the state for providing the required information and enabling us to bring out this publication successfully. I would like to place on record, my deep appreciation for the strenuous efforts put on, by my officers and staff for success of this publication.

I hope that this publication would be useful for policy makers, planners, research scholars and public in general who are interested in the employment issues of the state.

There is always scope for improvement of this publication and I would sincerely welcome suggestions in this regard.

13. The percentage of Post Graduate, Graduate, PU/10+2, Matriculate, Under matric, and Illiterate among the employees are 3%, 12%, 10%, 21%, 52% and 2% respectively.
14. The ratio between Plan and Non Plan post is found to be 10:90.

INTRODUCTION

The Directorate of Economics & Statistics has been conducting the “Census of the State Government Employees” since 1964, with 31st March as its reference date. The present report is forty - second in the series covering all the State Government employment including permanent, temporary, contract, deputation, work charged, and ad hoc as on 31st March 2012. This report gives detail features on the magnitude of employment in the state government along with analysis in regard to their status, nature of employment, pay, religion, social status, etc.

OBJECTIVE

The report on the Census of the Government Employees of Nagaland is prepared with a view to present the following information.

1. The total No. of Government Employees in the state and also its increase/decrease over a period of years.
2. The total No. of Government Employees according to their nature of appointment – Permanent, Temporary, Contract, Deputation, Ad hoc and work charge post.
3. The total No. of Government Employees according to Gender, Social Status and Religion.
4. The status of Educational Qualification of the Government Employees.
5. The categorization of the Basic Pay and Total Emolument of the Government Employees.
6. Age wise, No. of Government Employees in the state.
7. The status of Plan and Non Plan post in the state.
8. Department wise, total No. of Government Employees in the State.
9. District wise, total No. of Government Employees in the State.

SCOPE AND COVERAGE

The publication covers all the Government Employees in the state as on 31st March 2012.

METHODOLOGY

A prescribed proforma was circulated to all the heads of department in the state for collecting the requisite information of the employees working under their control.

LIMITATIONS

This report is based on the information provided by the concerned Department. This report does not cover employees working under Public Sector Undertaking of the state government.

FINDINGS OF THE CENSUS

1. Status of employment in State Government

Figure – 1

Graphical presentation of the decadal growth trend of employment in State Government

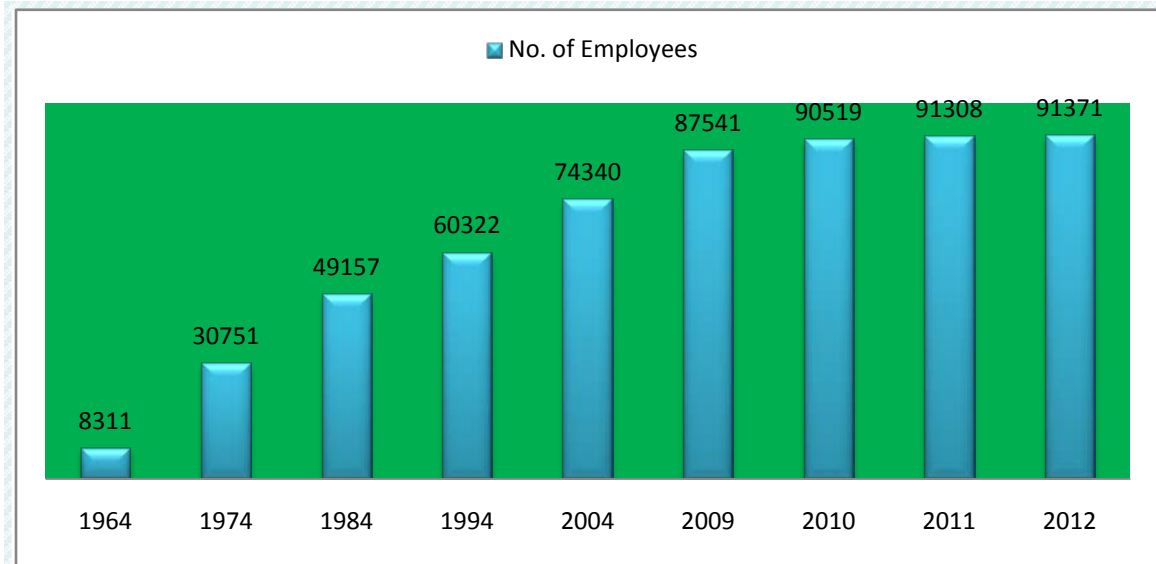

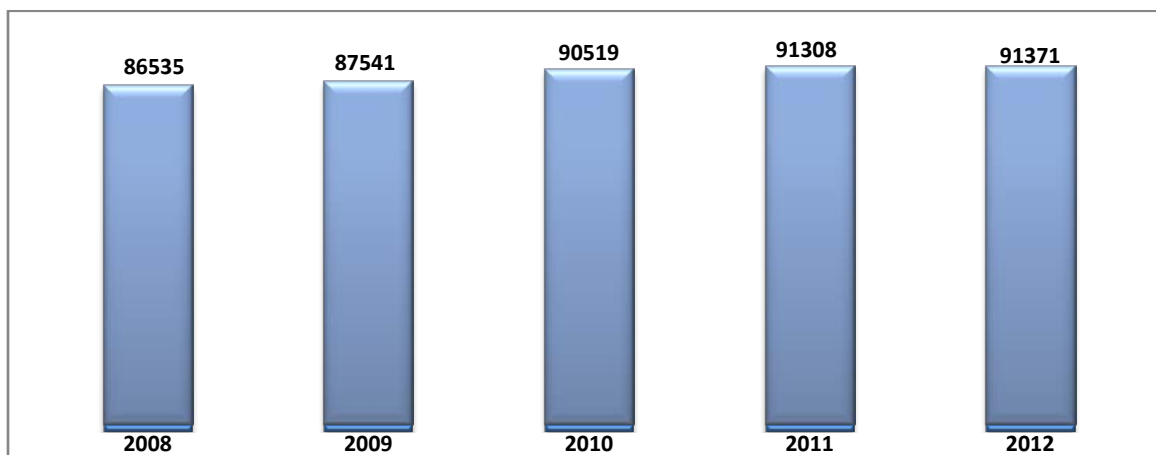

Figure – 2

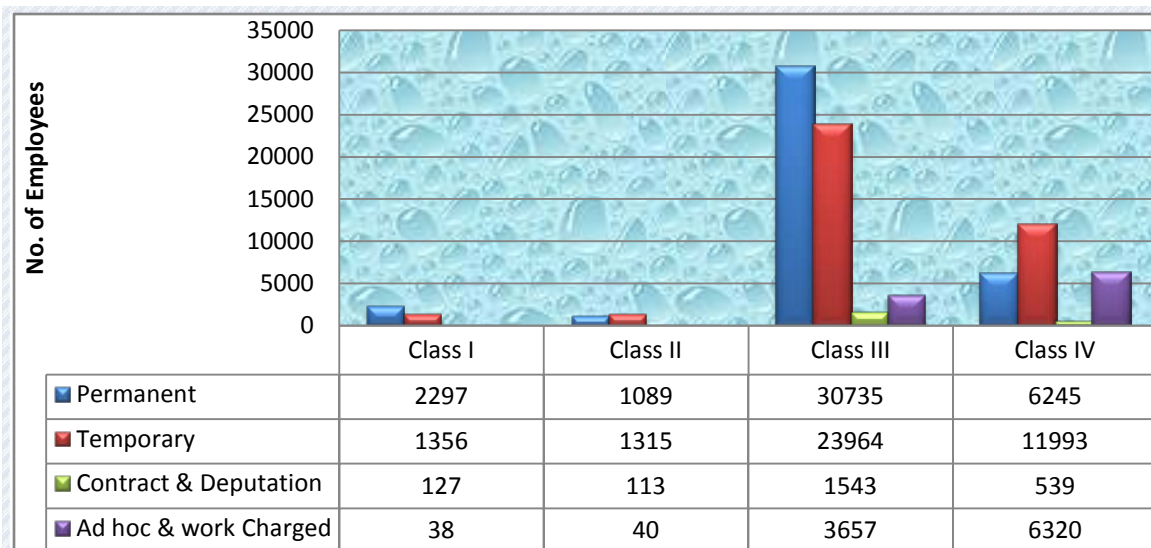

Growth trend of the no. employees during the last five years

2. The total No. of employees in the state.

Figure - 3

Graphical presentation of employees according to their nature of employment

The total number of employees as on 31st March 2012 is 91371. This comprises of: Class – I (3818), Class – II (2557), Class – III (59899) and Class – IV (25097).

Figure - 4
Class wise Total Employees

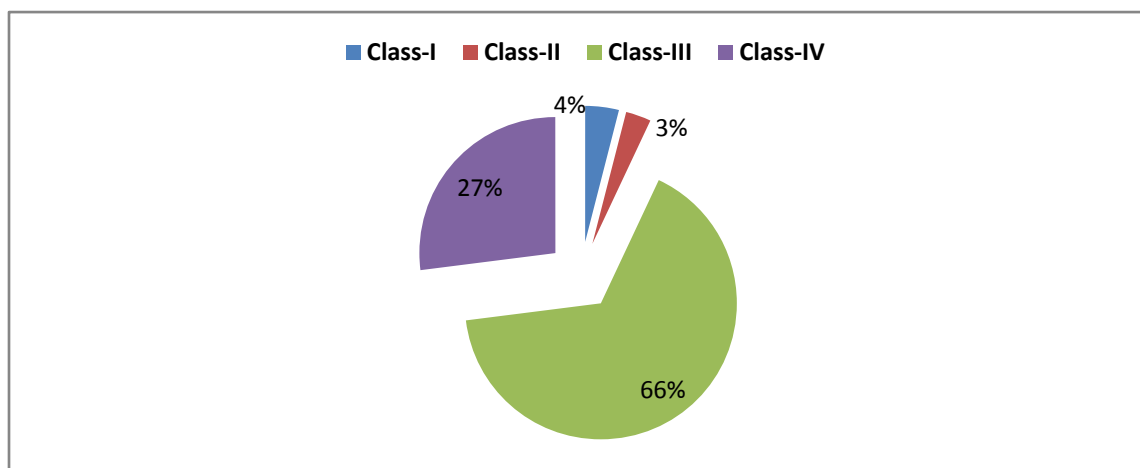

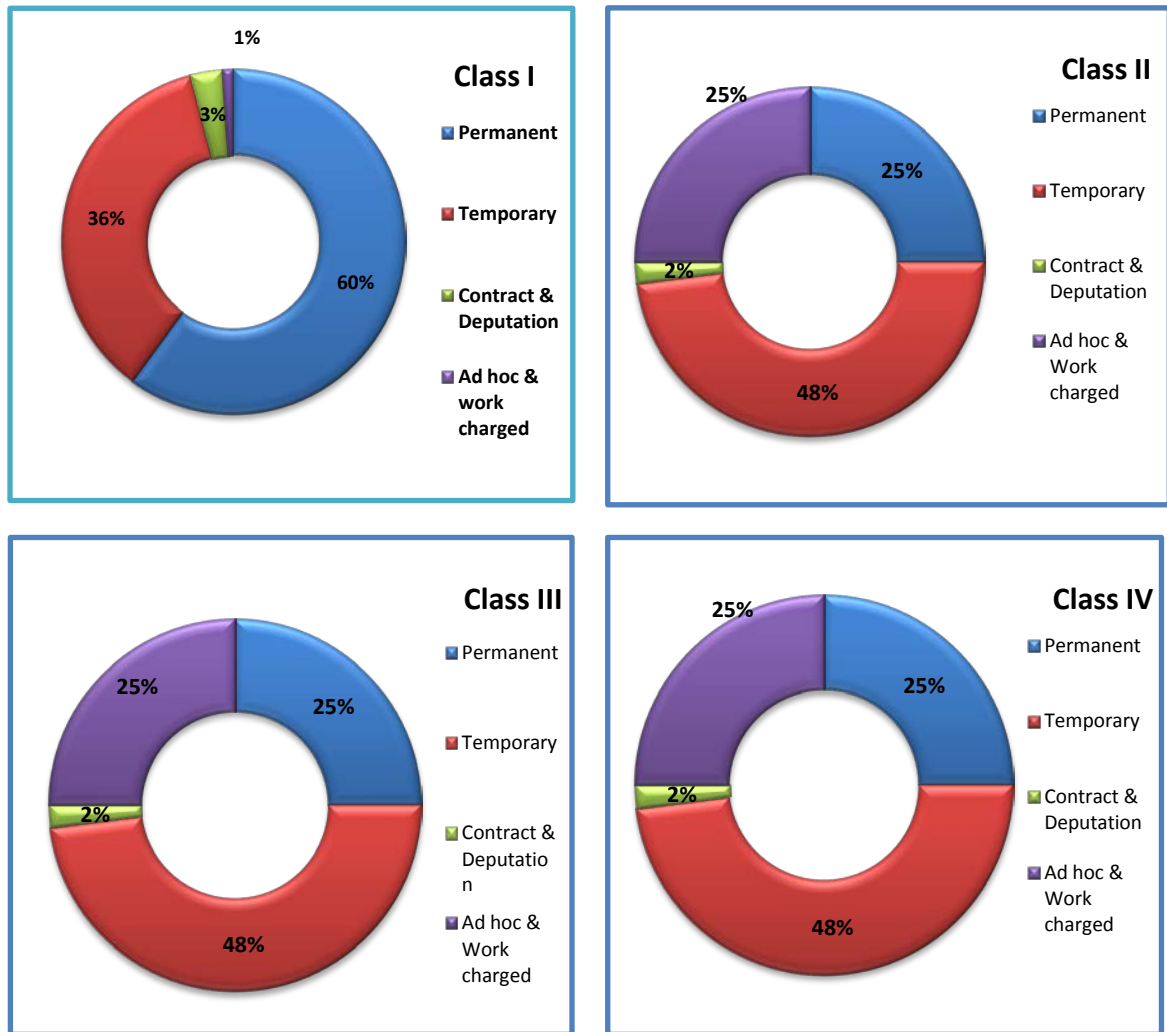

Figure – 5

Graphical presentation of class wise employees according to their nature of employment.

Regular employees are classified into permanent and temporary. Permanent employees are those groups of employees whose post are confirmed while temporary employees are those groups of employees whose post are not confirmed.

From the figures presented above, it is found that the percentage of regular post is the highest in Class – I (96%) while the percentage of regular post tends to decrease with the decrease in the status of employees i.e. Class – II (94%), Class – III (91 %) and Class – IV (73%)

The percentage of Ad hoc and work charge employees in the state are highest in Class – IV category of employees with about 25% of the Class – IV employees. The trends tends to decrease in higher level post i.e. Class – III (6%), Class – II (2%) and class – I(1%)

Contract and deputation nature of employment are highest in Class – II category with 4 % followed by 3 % each in Class – I and Class – III and 2 % in Class -IV category.

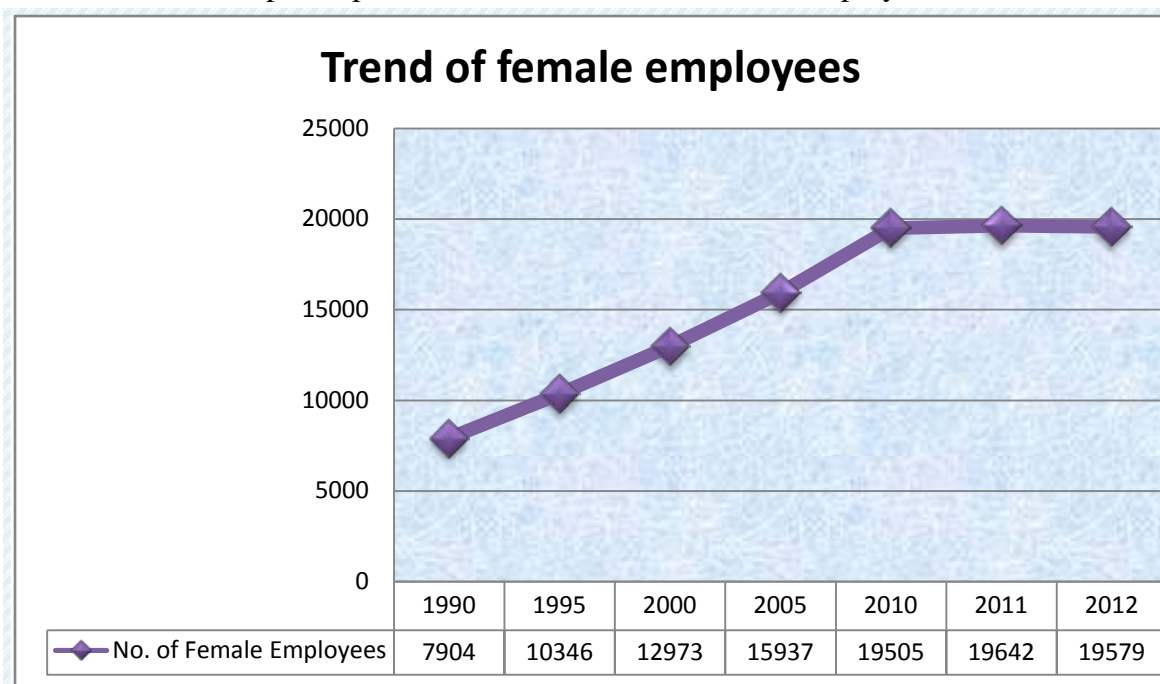

3. Gender employment

Table -1
Distribution of employees according to gender

Status	Gender				Total	Percentage
	Male	Percentage	Female	Percentage		
Class –I	2976	78%	842	22%	3818	100%
Class – II	2050	80%	507	20%	2557	100%
Class – III	46107	77%	13792	23%	59899	100%
Class – IV	20659	82%	4438	18%	25097	100%
Total	71792	79%	19579	21%	91371	100%

As per 2011 census, there are 4, 26,765 female workers. It is found that, 9.37 % of the total workers in the state are working in state government. 13.12% of the total male workers are working in the state government while 4.58% of the total female workers are working in the state government.

Figure -6
Graphical presentation of the trend of female employees

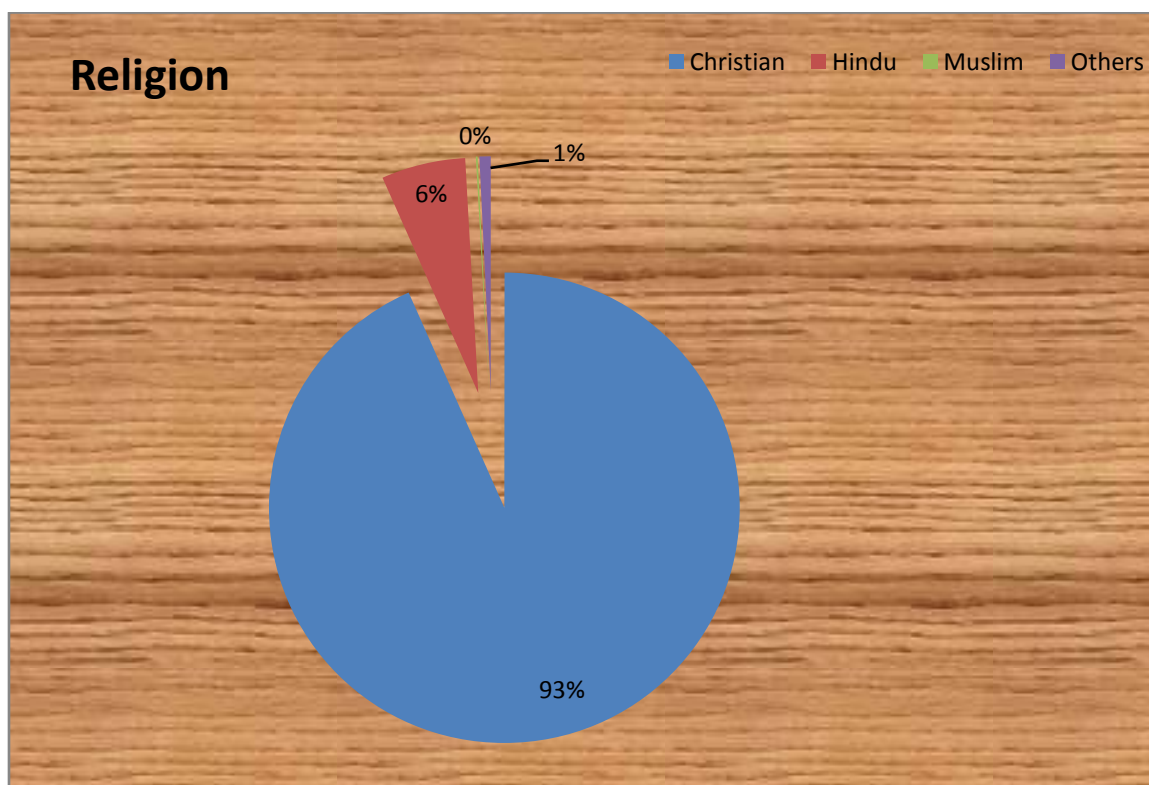

With the increase in the number of employees in the state government, the numbers of female employees have also gradually increased till 2010-11. However, it is found that during 2011-12 there is decrease in the number of female employee by 63.

4. Religion wise employment

Table -2
Distribution of employees according to Religion
