Distribution of male employees are more than the female employees. In this category 80.29 percent consist of male employees and only 19.71 percent of employees are female workers. The ratio of male female employees in this category of activity is 80:20 except in the construction sector which shows 95.04 percent male and 4.96 female worker.

Figure 5.4: Percentage Distribution of Hired and Non-Hired Male/Female Person by Activity

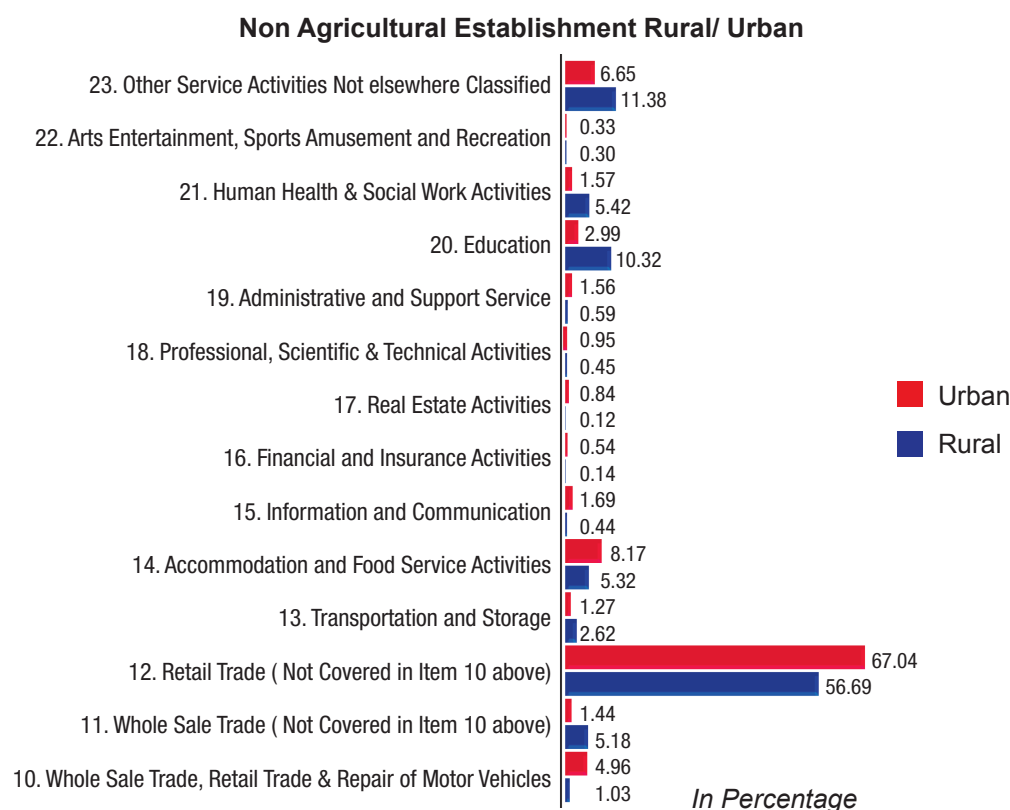

CHAPTER - VI

NON-AGRICULTURAL SECTOR (SERVICE ACTIVITIES)

There are 48182 establishment engaged in non agriculture sector (service activities) employing 128725 workers in the State. Out of these 48182 establishment, 24831(51.53%) establishment are in the urban areas and 23351 (48.46%) establishment are in rural areas. Dimapur district has the highest number in terms of establishments and workers employed with 13330 establishment and 36104 workers. Kiphire district has the lowest number of establishments and workers with 787 establishment and 3143 worker. Detailed information has been given in the following tables.
